regulation of immune effector process

antigen processing and presentation of peptide antigen via MHC class Ib

antigen processing and presentation via MHC class Ib

antigen processing and presentation of endogenous peptide antigen

antigen processing and presentation of endogenous peptide antigen via MHC class I

antigen processing and presentation of peptide antigen via MHC class I

based on somatic recombination of immune receptors built from immunoglobulin superfamily domains

antigen processing and presentation of endogenous antigen

antigen processing and presentation of peptide antigen

antigen processing and presentation

antigen processing and presentation of exogenous peptide antigen

antigen processing and presentation of exogenous antigen
